West Palm Beach, FL 33401

Join us for our last meeting of the year, where Dr. Lerner will provide you a systematic way to diagnose, present treatment and communicate with your laboratory through the trial smile and aesthetic temporization.

You will learn how to:

- Utilize a trial smile to get case acceptance
- Utilize the diagnostic wax-up during tooth prep
- Create exceptional looking provisionals
- Utilize smile design in shaping provisionals
- Use provisionals to test aesthetics, phonetics, and function
- Utilize your provisionals to communicate to the lab the desired final result
